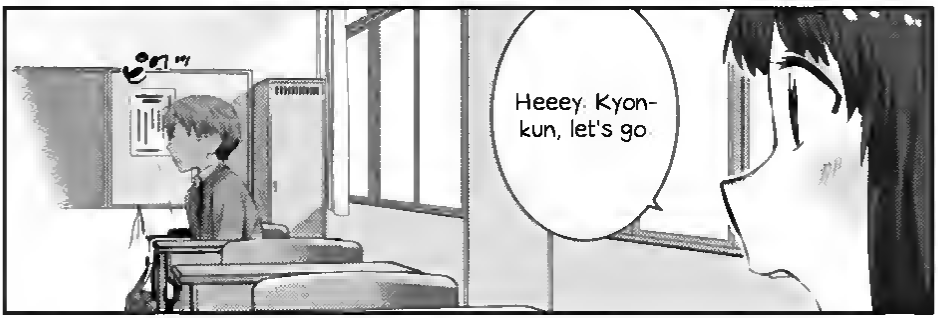
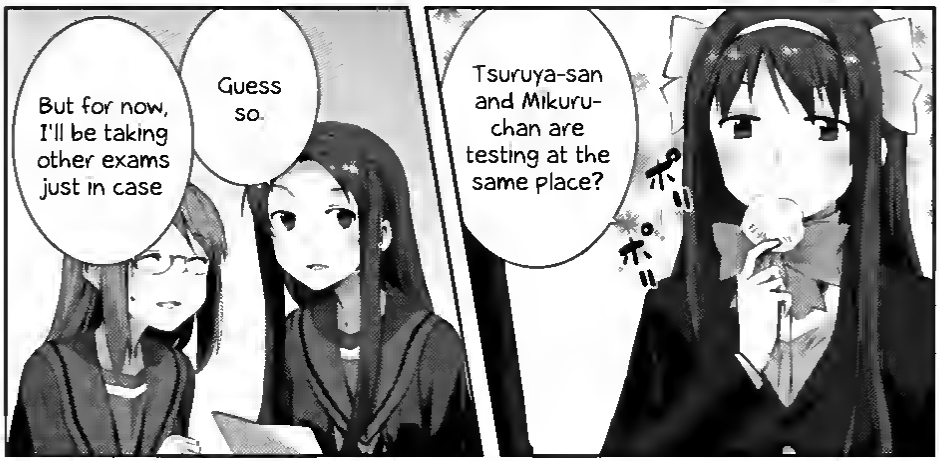
Yeah
Shall we go to the club room?
Classes are done for today.



Heeey. Kyon-kun, let's go

Right!
Coming!

文芸部
Literature Club
Oh?



But for now, I'll be taking other exams just in case
Guess so.
Tsuruya-san and Mikuru-chan are testing at the same place?

Here? So, science?
Right here.
Okay, then. Where will you take them?
ぼ

Ohh... and I thought for sure she was aiming to be a day-care mom or something
I guess that would be more like Mikuru, huh?

You couldn't tell Mikuru would do science at first glance.

?
Wha ...?
?

Ah- Huh-

?

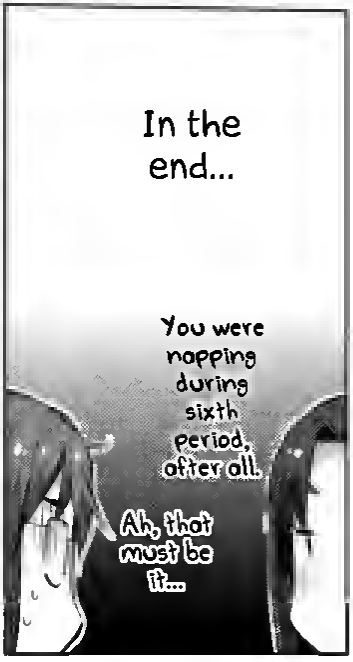
Do I have something stuck on my face?
H-hey...
ブンブン
Ack
Hm? No, nothing's there...
An apology!?
Sorry, Nagato
Oooh

C-grains of rice...? Couldn't be...
He had to apologize?
ごし
ごし
Suddenly, I catch myself glancing at Nagato
Is... there something on my face?
?
Since that day...
...to believe that, right?
I'd have to be really stupid...
Hmmmmm...
My sister couldn't have been telling the truth in her drowsiness, right?

... loves me...
Aah!
... That Nagato ...
ガコ"
Ah! Drool tracks!

Even if I look at Nagato...

Hey! You're laughing!
I can't tell...



In the end...
You were napping during sixth period, after all.
Ah, that must be it...

Here. A wet wipe.
...what she's thinking.
D-DON'T LOOK!

Well.

Oops, sorry.
Aww...

...
wondering about what Nagato feels...
I can't really help it...

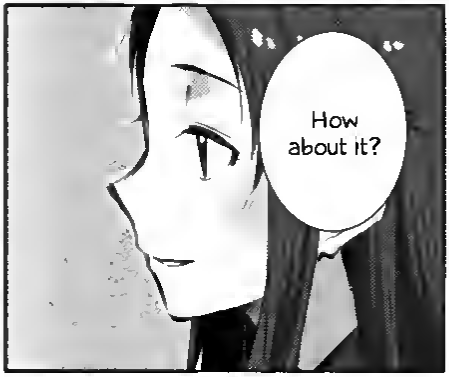
What I have to think about...
Are my own feelings, right?
Oh, right
Should we talk about Christmas stuff?

むぐー
We don't have any concrete plans yet.
Now that you mention it, we only touched on it briefly.
手鏡
Yup!
Right, Tsuruya-san?
She has something she wants to ask you guys
Yeah, I talked to Tsuruya about this.
ヒ
I can go tell our advisor, but...
What do you think? If we want the classroom
If you'd all like...

Huh?

Wanna come over to my house for the party?

I'm wondering if you'd be okay with it.



How about it?

Umm...
Well... whether or not we'd like to...

Hahaha! I hope you do!
Hey? What are you looking at?
We can get pretty noisy
This is something I want for myself!
You should all come!
Really! Don't worry about the house!
So, for just a little longer...
How many times can we even gather like this after that happens?
We're about to graduate
Look.

Let me act like a proper senpai!

Our senpai will soon...
I guess I said something kinda embarrassing, huh?
Kind of...
That's right...
President has final say!
Right?
Hey!
トゥン
Okay

By all means, bother us!
Great!
Okay, I'll take up your offer, senpai. Hope it's not a bother.
Yaaay!
Then we can procure a turkey for Yukicchi!
Let's get a giant Christmas tree!
Now that that's done

That's right...

Don't meddle in their affairs
It's kind of sad, huh?
They'll graduate soon...

Next year it's our turn, right?

Before you know it, it'll be next year.

So?
Will you live without regrets?
